26<sup>th</sup> June 2018

Dear Parent/Carer,

As we move towards the end of this academic session, I just want to give you a brief update of information that you will require in the lead up to Lochside Academy opening on Thursday 23<sup>rd</sup> August 2018 at 8.35am.

During the week beginning 20<sup>th</sup> August, you will be groupcalled a message to remind you which tutor class your child is in and which room they should go to on arrival at school on 23<sup>rd</sup> August 2018. We will have an extended tutor period to allow timetables and pupil planners to be issued to all pupils at the start of this school day. The pupil planners will have colour maps of each floor of the school in them to help pupils find their way round the school.

Should you require a reminder of our school day times this can be found on our school website at [www.Lochside.aberdeen.sch.uk](http://www.Lochside.aberdeen.sch.uk)

During the summer holiday the school office will be open on Tuesday, Wednesday and Thursday's from 8am – 1pm to collect uniform orders and purchase new school badges for blazers. Please keep an eye on social media where we will inform you that school ties have arrived.

I trust that you and all pupils have a great summer break and look forward to welcoming our first intake of Lochside Academy pupils to school in August.

Yours sincerely

Neil Hendry  
Head Teacher
