

# Our School Mission, Vision & Values

to inspire a culture of excellence and achievement

## Our Mission:

what our school does

**Inspiring Individuals; Outstanding Together**

## Our Vision:

what our school  
aspires to do

Our vision is to *inspire* every *individual* pupil with the best educational experiences and opportunities, within and beyond the classroom, and provide pupils with personal support that empowers them to be *outstanding* and achieve a positive destination working *together* in partnership with others in school.

## Our Core Values:

what we believe in  
that shapes our  
school community to  
realise our mission  
and vision:

### Respect

We believe every individual deserves a respectful, safe and positive school environment where they are treated and valued with dignity.

### Community

We believe in a Lochside Academy family of pupils, parents, staff and partners that is outstanding together to ensure pupils are successful.

### Aspiration

We believe in empowering young people to be ambitious and have high expectations of themselves through high quality teaching and learning.

### Equity

We believe in ensuring that every individual has the same opportunity to attain, achieve and succeed with resources aligned to their needs.

### Resilience

We believe in nurturing the physical, mental and emotional health of individuals to enhance their wellbeing to get it right for every child.

### Responsibility

We believe in leading by example, acting with honesty and integrity and being accountable for our own actions and decisions.
