Dear Parent/Carer,

Home-Learning April 2020 – Google Classroom

At this time we are working towards delivering a Home-Learning curriculum to support our young people at Lochside Academy. As you will be aware, one of the main tools we are using is Google Classroom. A Parent/Carer Guide to navigating Google classroom is available on our school website:

<https://lochside.aberdeen.sch.uk/wp-content/uploads/2020/03/Lochside-Google-Parents-Presentation.pdf>.

A Digital Learning Hub is available online to provide resources for pupils, parents/carers and teachers to support online learning. This site will continue to be developed over the coming weeks. This will provide pupils and parents/carers support as they deliver home learning. The Digital Learning Hub will also be available for any password problems or technical support. The Digital Learning Hub can be accessed at <https://glo.li/accdigital>.

Pupils will already have a number of Google classes that they are a part of as this is already an embedded part of our daily curriculum in the school. Teachers will be updating these pages regularly to ensure appropriate work will be available whilst the school is closed. As well as any existing Google classes, pupils will be expected to join any new classes set up by teachers. I have attached a list of any new classes for pupils here:

Teachers at Lochside Academy will continue to work hard to ensure the best learning experiences for our young people. Our 'Home-Learning' page on our school website <https://lochside.aberdeen.sch.uk/> will continue to be updated in the coming weeks with weekly curriculum plans for our young people. We will still be available for contact on our school email address LochsideAcademy@aberdeencity.gov.uk

Yours sincerely
