This should be done under exam conditions and should be timed for completion in 25 minutes. By practicing all expressive type questions, this is not only preparing for upcoming exam based assessments but also is providing evidence for 20% of their overall grade. During this week pupils must also come into school to pick up materials to start to build their final design piece. Pupils should have an understanding of what materials they are using to create this before coming in as these are in 15 minute appointments per pupil. Pupils can book an appointment with myself via a booking system link I will post on google classroom. Available times will reflect the class times on the normal school timetable. Pupils will additionally have been already contacted by myself to discuss outstanding work. Pupils must look through the check list sheet to enable they have completed everything to date for both expressive and design folios. This should be continued to be worked on this week if not already completed and should be submitted onto google classroom or via gmail</p>	<p>All new assignments for this week with clear instructions are available on google classroom.
