Art and Design	Miss Simpson	National 5 D	4 x 50 min periods	National 5 pupils must self-mark their 10 mark written expressive question from last week. This should be done using the marking scheme issued on google classroom. By self-marking these questions, this is allowing pupils to see where they gain marks and if not how to correct their own mistakes. Pupils should write comments next to their corrections if they have any to show me they have understood where they went wrong and the solution for next time. Pupils must also show what grade they give themselves out of 10. During this week pupils must also continue to create their final design piece. Pupils should have an understanding of what materials they are using to create their design from their materials they picked up. I am looking for continuous development and a progress photo submitted onto google classroom or via gmail to myself.	All new assignments for this week with clear instructions are available on google classroom. All work must be submitted by the due dates provided.		ffawerm
